Spiritual Education Programs for January - March 2010

January 12 - March 2

Facilitated by: Rev. Nadene Elizabeth Rogers

The Nature of Effective Prayer

from 7:00 - 9:30 pm

Are there any areas in your life right now that you want to heal, change, or move through? Have you considered how much power lies within you to do so? Have you demonstrated this truth? This power, the Infinite Creative Intelligence is inspiration, brightness, goodness, it is sourced within us and as we draw upon it, we can count on it. When we use it, it brings us up to a higher level of thinking, of being and knowing we are greater than we think we are. What would it be like to spend more of our experience in life living from that glorious state of Oneness —comfortable, natural.

Spiritual Mind Treatment is a proven, scientific method of prayer that aligns us with the nature of this Intelligence in which we declare the truth of who we are and what is possible by means of us. It paints a deeper understanding of how our mind works and the power for change within our choice to direct our thoughts. We are not alone, we are actually some part of this infinite Power, and it desires to do something in us, as us and thru us.

Learn the nature of effective prayer and demonstrate a new reality.

Cost: \$250.00

January 13 - March 24 (No Class Feb 17) 10 Week Course

Facilitated by: Rev. Doug Craig

Self Sabotage

I Was a Prisoner of My Own Mind

from 7:00 - 9:30 pm

The foundational principles in this course were derived from Doug's personal life experience as he moved from a hellish existence to a heavenly life. If you are willing to be open and honest with yourself, and ready to make a commitment to take responsibility to change what is not working in your life, then this is the class and this is your time.

If you are interested in understanding how to uncover the hurt behind your anger, how to reclaim your personal power and stop blaming people and conditions in your life; how to recognize the difference between core and circumstantial pain or how to validate your feelings of hurt in a manner that will lead you to feeling self-empowered and peaceful in life, then don't hesitate.

This course is limited to 10 participants and is always sold out!
