

## **Household Treasure Exchange**

(Formerly known as: Our House Fundraiser)

**September 5<sup>th</sup> – After the Sunday Celebration**

**Location: Cedarbrae Community Assoc. 11024 Oakfield Dr SW**

It's that time of year when we put away our summer toys and in the process we have find some treasures that we have purchased at a garage sale, etc. that at the time was something that we thought we needed, but alas, there it sits in a box.

We invite you to bring these gently cared for items that you are still a little reluctant to get rid of, or any other items you discovered that may have a sentimental value attached. Wouldn't it be better to be able to sell or exchange them with someone else who has the same (problem)? This way you know that your item(s) will be going to a good home.

As it is all about the home, all proceeds from this fundraiser will go to the Building Fund.

The cost could be pocket change or some other love offering you would like to give. Let go of stuff we don't need/use, because somebody probably needs or wants it.

**SETTLE IN FOR THE WINTER and allow space for the new to arrive!**
